## FROM ACROSS THE PARKING LOT ST. THERESE SCHOOL NEWS

---

Students participated in a blessing of the school for the New Year on January 6. Our pastor, Fr. Marc, continues the annual tradition of this blessing at our school's front doors.

During our school Christmas concert students were treated to a re-enactment of the Nativity. However, what was certainly unexpected was that the eighth graders used a live baby for the scene! It was not until the audience began clapping that the baby moved and caused quite a stir in the crowd. Thanks to the Gesregan family for allowing us to have their baby as part of our concert. It certainly was a joyous way to end the evening.

## *The Baptism of the Lord*

*By: Scott P. Richert*

At first glance, the Baptism of the Lord might seem an odd feast. Since the Catholic Church teaches that the Sacrament of Baptism is necessary for the remission of sins, particularly Original Sin, why was Christ baptized? After all, He was born without Original Sin, and He lived His entire life without sinning. Therefore, He had no need of the sacrament, as we do.

In submitting Himself humbly to the baptism of St. John the Baptist, however, Christ provided the example for the rest of us. If even He should be baptized, though He had no need of it, how much more should the rest of us be thankful for this sacrament, which frees us from the darkness of sin and incorporates us into the Church, the life of Christ on earth! His Baptism, therefore, was necessary--not for Him, but for us.

Many of the Fathers of the Church, as well as the medieval Scholastics, saw Christ's Baptism as the institution of the sacrament. His Flesh blessed the water, and the descent of the Holy Spirit (in the form of a dove) and the voice of God the Father announcing that this was His Son, in Whom He was well pleased, marked the beginning of Christ's public ministry.

## YOUR PARSIH BOOK CLUB

---

### What is our "Parish Book Club?"

*A group of parishioners and their guests who get together on a regular basis to read and discuss books.*

### I can read a book on my own. Why would I want to join a "club" to read a book?

*Of course you can read a book on your own! However, the Parish Book Club is an excellent way to significantly enhance the enjoyment of reading a book and challenge your mind.*

### Will I know anyone if I attend the Parish Book Club?

*Most likely. A parish book club can be a magnificent avenue to meet like-minded people, those who probably have some of the same interests as you do!*

### Well, okay. Now, I am curious. Tell me more...

*Sure.*

The first meeting of 2016 will be **Friday, January 29<sup>th</sup>, 10:00-11:30am, in the All Purpose Room of the Church.**

Our book is: *Jesus: A Pilgrimage*. The author is James Martin, S.J. You can obtain the book online or at any local bookstore.

Take notice of a few of the praises of those who have read the book:

*"It is part travel guide, part spiritual reflection and part Scripture study- a delightful read."* Cardinal Timothy M. Dolan

*"There are no dull moments in this book."* Joyce Rupp, OSM

*"This is a book for everyone. This is James Martin at his best."* Ronald Rolheiser, OMI.

### So, will I see you at the meeting? I have a few extras of his book, if you desire to obtain it from me?

*I am free that morning according to my busy schedule. So, I'll be there. And, I will start by reading the first and second chapters today.*

Fr. Marc, (Moderator)

The Mystery of God  
Who God Is and Why He Matters  
WHAT DO WE REALLY MEAN BY "GOD"?  
Beginning Tuesday, February 2, 2016

Number of Sessions: Scheduled for 8

Six of the sessions use Bishop Barron's DVD-based course. A brief description of each lesson is detailed below

We are adding two additional sessions (at the beginning of the study) to discuss Darwin, evolution and outline the Big Bang Theory

Sessions are in the APR and begin at 7:30 PM and end promptly 9:15 PM

The cost for the study is \$26.00. This will cover the cost of your study guide (which is excellent).

PLEASE SIGN-UP ON or BEFORE JANUARY 26th

Description of the course (from Bishop Barron's website): Atheism is on the rise. Skeptical thinkers like Richard Dawkins, Christopher Hitchens, and Sam Harris vigorously attack belief in God as irrational or, even worse, dangerous. The so-called New Atheism has attracted millions of young people thanks to bestselling books such as *The God Delusion* and *God Is Not Great*. How should Christians respond? How can we turn the tide of secularism and draw people back to God? You'll discover how in "[The Mystery of God](#)," a new six-part film series and study program by Bishop Robert Barron. The lessons reach into our rich intellectual tradition. Using the insights of St. Augustine, St. Thomas Aquinas, Pope Benedict XVI, you'll uncover a clear yet sophisticated understanding of what we mean by "God". Who is God? And why does he matter? Watch this series and you'll not only learn the answers yourself, but you'll discover how to share them with others - especially those who no longer believe.

#### LESSON 1 – ATHEISM AND WHAT WE MEAN BY "GOD"

There are lots of views about God. Some see him as a mythical fairy in the sky, others as the Supreme Being. Some consider him a threat to our freedom. But for Christians, God is not one being among many. He's not a competitor to our flourishing. God is that than which nothing greater can be thought, the strange and unique source of being itself. Before discussing anything about God we must become clear about one question: who is God?

#### LESSON 2 – ST. THOMAS AQUINAS AND THE PATHS TO GOD

In the thirteenth century, St. Thomas Aquinas composed his famous five paths to God. His proofs don't depend on the Bible or divine revelation. They simply start from the world around us—trees, birds, buildings, and even ourselves. Thomas noticed that none of these things have to exist. But if that's the case, there must be some cause behind them, something grounding their existence. For Thomas and all Christians since, we know this source of all being by its ancient name—God.

#### LESSON 3 – THE DIVINE ATTRIBUTES

Once we understand who God is, we naturally wonder, "What is he like? How does he act?" We can never fully answer those questions. Yet we can know that God is self-sufficient—he doesn't need the world but creates it out of love. God is omniscient, knowing all things. God is omnipresent, everywhere in existence. Through these attributes we discover a God who presses upon the world, always and everywhere, not aggressively but only with love.

#### LESSON 4 – PROVIDENCE AND THE PROBLEM OF EVIL

Perhaps the most difficult question in theology is this: Why does God allow evil? If God is all-good and all-powerful, then why are our lives marked with pain and suffering? These are not abstract questions. They go right to the heart of our experience. We have each wrestled with misery, wondering when God would intervene. As with Job, God does not give us answers. He instead offers a person: the crucified Jesus, through whom God enters our suffering and makes it his own.

#### LESSON 5 – EXPLORING THE TRINITY

The most important event in human history took place when God, infinite and incomprehensible, became a finite and familiar man, Jesus Christ. While some people reduce Jesus to a wise teacher, the testimony of scripture and the early Church makes it clear that Jesus of Nazareth was, and is, God incarnate. He's the Second Person of the Trinity. And by his sacrificial death and glorious resurrection, we too can enter into Trinitarian life.

#### LESSON 6 – THE GOD WHO IS LOVE

The book of Genesis reveals that we are made in the image and likeness of God. What does this mean? For St. Augustine it affirmed that our own traits—our minds, our self-knowledge, our self-love—can tell us something about God as a Trinity. What is Christianity finally about? What is the deepest meaning of being and all reality? The Christian answer is this: God is love, a play of Father, Son, and Holy Spirit.

## CHILDREN'S NUTRITION PROGRAM

For the past 16 years, our parish has been extremely generous with their monetary donations we collect in September for our Children's Nutrition Program at our sister parish of St. Cecilia in the Diocese of Machakos, Kenya. Thank you very much for your past support.

For your convenience, please use the envelope enclosed in your weekly envelope packet and place it in the collection basket during the month of January. Thank you in advance for your support!
