

Dear Parent/Guardian:

Season 2015-2016

In what follows, please find information relating to registration for our upcoming CYO Season for children in grades 4th through 8th.

First, for your convenience, Grades 5 through 8 can register by mail. Grade 4 and any **new** players must register in person. Fill out the form entitled "St. Therese CYO-Registration Form" and the Medical Waiver, which is a separate document, and mail with the appropriate checks (made out to "St. Therese CYO") to **Michael Elko** at the address on top of the registration form. Registration fees have remained the same from last year. If your child has not played before this season, we need a COPY (NOT the original) of his/her baptismal certificate. **Birth certificates can ONLY be used for non-Catholics.**

In person registration dates are **Saturday August 29th (9:30 – 11:30 am)**, **Sunday August 30th (10:00 am – 1:00 pm)** & **Saturday September 12th (9:00 – 11:00 am)** in the St. Therese Gym.

Registrations received after September 18th will be considered a late registration and will be placed on a waiting list and cannot be guaranteed a roster spot for the season.

In addition, our annual Beefsteak Fundraiser continues to be a success in the way of attendance and revenue. The price of a Beefsteak ticket will again be \$45 this year and the fundraising buyout will also remain at \$35 per child. So to summarize, in order to insure full participation in our fundraising activities, we offer a choice to you. You must select one of the following options:

Reserve one Beefsteak ticket per registered child now for \$45 (...if you are registering 3 or more children, only 2 tickets need to be purchased.)

Buy the ticket(s) and sell to someone else who would like to attend;

Choose the "fundraising buyout" for \$35 per child.

In addition, for each Beefsteak Ticket that is purchased at registration, families will receive a season pass for one adult to attend all regular-season home games held in one of our gyms, free of charge.

Incomplete forms or forms without appropriate accompanying checks (including fundraising) will be returned.

Player evaluations will be held in late September for all those with completed registrations. We will be contacting you with details about the exact dates and times.

Finally, as always, we are looking for coaches for our teams, as well as volunteers for many other activities throughout the season. There is a lot of effort that goes into running the C.Y.O. program. If we all volunteer in some way, whether big or small, the workload becomes lighter for everyone and we will be able to accomplish much throughout the year. Please check the appropriate box on the registration form for the volunteer activity(s) that you are most interested in.

The St. Therese CYO program is committed to the physical, spiritual and emotional development of every participant and volunteer in the safest and most enjoyable Christian environment. We are looking forward to another great season.

Please feel free to contact me or Bob with any questions or concerns using the contact information below.

Thank you,

Mike Elko
St. Therese CYO Athletic Director
